

Thank you to 2017 ALCC certification test judges!

The following individuals served as certification test judges in 2017, and evaluated candidates during the hands-on testing in June and August 2017. Thanks to their efforts, over 300 candidates tested toward the Landscape Industry Certified Technician designation in 2017, and 43 earned the designation. Interested in being a certification judge or serving on the certification committee? Contact Melissa Emdin at 720 307-5092.
