

## ELITE Awards Entry Form - Design/Build Category Questionnaire

1. Project name
2. Project/program location. Please provide at least city and state.
3. Is this new construction or renovation of existing landscape?
4. Is this a residential or commercial property
5. Landscape designer or architect. Landscape design must be completed by company entering.
6. Contract begin date. If exact date is not known, provide best estimate.
7. Contract completion date.
8. Total landscape budget
9. Did you complete all the work on this project? Were there any preexisting or subcontracted items? If so, please explain.
10. Describe your project in 250 words or less, including the customer's intent for the project and Best Management Practices used. Download or view BMP manual.
11. How does your design's scale and function address the customer's intent and the existing conditions?
12. What were the obstacles or challenges encountered in project execution? Describe the challenges you realized or had to overcome during the project, and what were your solutions? What would you differently next time?

Submit the landscape design plan and 12 photos of project. The photos should include photos of the site before the work started, the work in progress, and after the project is complete. It is suggested that the after photos be a mix of photos taken upon completion of the project, and several months and years later if possible.

Please remove company logos from the landscape plan and photos (including tools, equipment, employee apparel, etc.).
