1. Project name
2. Project/program location. Please provide at least city and state.
3. Property owner (optional)
4. Is this a residential or commercial property?
5. Contract begin date. If exact date is not known, provide best estimate.
6. Contract completion date.
7. Total landscape budget
8. Did you complete all the work on this project? Were there any preexisting or subcontracted items? If so, please explain.
9. Describe your project in 250 words or less, including the customer's intent for the project and Best Management Practices used. Download or view BMP manual.
10. What unique or unusual site-specific specifications were you required to address during the installation process?
11. Describe the challenges you realized or had to overcome during the project, and what your solutions were.
12. View the checklist of sustainable landscape practices included in the [Green Strategies for Colorado Landscapes](#) developed by ALCC. In 250 words or less, describe the sustainable solutions, highlighting any unique aspects, used on this project.

Submit 12 photos of project. The photos should include photos of the site before the work started, the work in progress, and after the project is complete. It is suggested that the after photos be a mix of photos taken upon completion of the project, and several months and years later if possible.

Please remove company logos from photos (including tools, equipment, employee apparel, etc.).
