

ELITE Awards Entry Form - Maintenance Category Questionnaire

1. Project name
2. Project/program location. Please provide at least city and state.
3. Is this a residential or commercial property?
4. What is the scope of the maintenance contract, what services are provided?
5. How large of a site are you maintaining? What is the maintenance contract amount?
6. How long have you maintained the property?
7. Did you complete all the work on this project? Is there another company doing maintenance work on the site? If so, please explain. Example, tree care, gardening, etc.
8. Describe your project below in 250 words or less. How did you meet customer desires and deal with challenges, e.g., site-specific, special or unusual? What is the maintenance schedule?
9. In 450 words or less, briefly describe horticultural, sustainable and/or cost-effective outcomes that have been achieved on the property. What sustainable goals have been achieved in terms of reducing, reusing or recycling resources through your practices? Document results with specific sustainable outcomes such as the amount of waste not sent to the landfill, the reduction in fertilizer or chemical applications through IPM, etc.
10. Describe the existing irrigation system, what has been done to improve it and the results achieved. What water-savings measures were enacted? Submit irrigation audit, if applicable.

Submit 5 photos of the project and a video of the site. **Video optional.**

Please remove company logos from the photos (including tools, equipment, employee apparel, etc.).
