

ELITE Awards Entry Form – Plant Design Category Questionnaire

1. Project name
2. Project/program location. Please provide at least city and state.
3. Property owner (optional)
4. Landscape designer or architect and firm (if applicable)
5. Is this a residential or commercial property?
6. Contract begin date. If exact date is not known, provide best estimate.
7. Type of presentation drawings: CAD, Hand-drawn, Perspective, Elevation
8. Did you complete all the drawings and presentations in house? If not, explain any subcontracted aspects.
9. Describe your project in 250 words or less, including the customer's intent for the project and Best Management Practices used. Download or view BMP manual.
10. What were the customer's goals and objectives and how did your approach to graphic presentation of your ideas help move the project from concept to construction?
11. What modifications to the original design resulted from the design process to the client?
12. How did your graphic presentation of design concepts aid in clear direction to the construction team to build it?

Submit 8 images, a combination of the graphics or models that were used to communicate your design concepts to the client and to the construction team and photos of the focal points of the actual built project.
