

ELITE Awards Entry Form – Sustainability Category Questionnaire

1. Project name
2. Project/program location. Please provide at least city and state.
3. Project completion date
4. Total landscape budget
5. Is this renovation or new build?
6. Did you complete all the work on this project? Were there any pre-existing or subcontracted items? If so, please explain.
7. **In 500 words or less, describe your project and what distinguishes it as a sustainable landscape. How did you meet customer desires and deal with site-specific challenges in sustainable ways? Did you work with your customer to engage them in the sustainability element?**
8. In 450 words or less, briefly describe horticultural, sustainable and/or cost-effective outcomes that have been achieved on the property. What sustainable goals have been achieved in terms of reducing, reusing or recycling resources through your practices? Document results with specific sustainable outcomes such as the amount of waste not sent to the landfill, the reduction in fertilizer or chemical applications through IPM, etc. Refer to the Green Strategies document for a full list of sustainable practices and include appropriate items that were addressed at the site.

Submit 10 photos of project. The photos should include photos of sustainable elements of the project. Attach the landscape plan or plant list if applicable.

Please remove company logos from the landscape plan and photos (including tools, equipment, employee apparel, etc.).
